**SENATOR HARKIN VISITS  
BELMOND MEDICAL CENTER**

2-26-11

On Saturday, February 26, 2011, Senator Tom Harkin visited Belmond Medical Center. While he was here he toured the facility, received an update on the progress of our project and discussed Iowa healthcare issues as they relate to Critical Access Hospitals and the Healthcare Reform Bill.

He was impressed with the facility as it is today and is very excited about the progress we have made on the project so far.
